Volunteers are indeed the lifeblood of the Party, and the efforts of our volunteers ultimately determine the level of success we will enjoy in the November General elections. Please look over the list on the back of this page and indicate by number, with #1 as your first choice, on which committees you would like to serve. A brief description of each committee and an estimate of time required is given. In addition, we have tried to provide a general timeframe within which the committee will operate.

*Thank you for your willingness to serve.*
